Author's Biography

Syarifudin Abdullah was born in Singaraja on February 3 2004. He completed his elementary education at SDIP Baitul Maal, graduating in 2016, followed by his junior secondary education at SMPiP Baitul Maal in 2019, and his senior secondary education at SMAN 24 Jakarta in 2022. In 2022, he continued his studies at Universitas Pendidikan Ganesha (Undiksha), enrolling in the Information Systems Study Program under the Department of Informatics Engineering, Faculty of Engineering and Vocational Education, with student ID number 2215091032. During his studies, he actively developed his expertise in time series forecasting and data science, culminating in his undergraduate thesis entitled "Performance Comparison of SARIMA and Prophet Models for Forecasting Indonesian Banking Stock Prices," through which he successfully completed his Bachelor's degree in Information Systems in 2026.
