ACKNOWLEDGEMENTS

First and foremost, I would like to express my deepest gratitude to Almighty God, Ida Sang Hyang Widhi Wasa for His endless blessings, guidance, strength, and grace throughout my master's study and the completion of this thesis. I would like to express my sincere appreciation to my supervisors and to the board of examiners, for their valuable guidance, constructive feedback, continuous encouragement, patience, comments and suggestions throughout every stage of this research. Their expertise and support have greatly contributed to the completion of this thesis which have significantly improved the quality of this thesis.

My heartfelt appreciation goes to the principal, English teachers, all students of SMKN 2 Sekotong for their willingness, cooperation, and participation in this study. Without their support, this research would not have been possible. Furthermore, special thanks are extended to my beloved parents and family for their unconditional love, prayers, encouragement, and endless support throughout my academic journey. Their sacrifices have always inspired me to pursue my goals with perseverance and determination. Finally, I would like to thank my friends and classmates for their friendship, motivation, and valuable discussions during my master's program. Their support has made this journey both meaningful and enjoyable.

Therefore, the writer sincerely thanks all those who were involved, including the honourable people mentioned below:

1. Prof. Dr. I Wayan Lasmawan, M.Pd., as Rektor of Universitas Pendidikan Ganesha.
