PREFACE

All praise and gratitude the author extends to the Almighty God Jesus Christ and Mother Mary for the blessings that this undergraduate thesis, entitled **<RISK ANALYSIS OF EMPLOYEE PERSONAL DATA SECURITY IN THE HUMAN RESOURCES DIVISION OF THE GOVERNMENT INSTITUTION IN TIMOR-LESTE USING OCTAVE ALLEGRO METHOD>**, could be completed. This undergraduate thesis is submitted as a requirement to obtain a Bachelor's degree in computer science at Universitas Pendidikan Ganesha.

In the process of completing this undergraduate thesis, the author has received significant support. Therefore, the author would like to express sincere gratitude to :

1. Prof. Dr. Kadek Rihendra Dantes, S.T., M.T., Dean of the Faculty of Engineering and Vocational, for the facilities provided, which enabled the author to complete the study as planned.
2. Ir. Made Windu Anantara Kesiman, S.T., M.Sc., Ph.D., Vice Dean I of the Faculty of Engineering and Vocational, for the motivation and facilities provided.
3. I Nyoman Saputra Wahyu Wijaya, S.Kom., M.Cs., Coordinator of the Bachelor's Program in Computer Science and also my academic advisor, which help me during the study Process and Undergraduate process.
4. Ir. Ketut Agus Seputra, S.ST., M.T., as Examiner 1, for all the feedback and evaluation.
5. I Made Putrama, S.T., M.Tech., Ph.D, as Examiner 2, for all the feedback and evaluation.
6. Kadek Yota Ernanda Aryanto, S.Kom., M., Ph.D., as the first academic advisor, for your invaluable guidance, unwavering support, and patience throughout this research. Thank you for continuously motivating me, believing in my abilities, and providing encouragement at every stage of this journey. Even during periods when we had limited supervision meetings, you always took the initiative to ask about my progress, which truly meant a great deal to me. Your dedication, kindness, and confidence in me have been a constant source of motivation, and I am sincerely grateful for everything you have done.

7. Ir. I Ketut Resika Arthana, S.T., M.Kom., as the second academic advisor, I would like to express my sincere gratitude for your valuable guidance, constructive feedback, insightful advice, and continuous encouragement throughout the completion of this thesis. Your support has been instrumental in shaping and improving the quality of this research.
8. The staff members of the Faculty of Engineering and Vocational who assisted in the administrative process.
9. To myself Idalia Francisca Viegas, I would like to express my deepest gratitude for never giving up throughout this journey. Thank you for all your hard work, dedication, and perseverance in completing every assignment and, ultimately, this thesis. Thank you for staying strong through the tears, the sleepless nights, and the moments of overthinking. There were times when fear and self-doubt made you want to avoid meeting the examiners or find excuses to postpone the challenges ahead. Yet, despite feeling afraid and nervous, you always found the courage to stand up, face every examination, and continue moving forward. Thank you for believing in yourself, even when it was difficult. Every challenge, setback, and moment of uncertainty has become a valuable part of your growth. I am proud of how far you have come, and I hope you always remember that your strength, resilience, and determination made this achievement possible.
10. Justino Viegas Soares and Agueda Francisca Pereira, my beloved parents, thank you for everything and to my beloved siblings Maun Jo, Abin, Maun Oji, for your unconditional love, endless prayers, unwavering support, and constant encouragement throughout my academic journey.
11. To my dear cousins, Titzel, Epi, Iva, Iki, Eka, Eza, Jilshe, Jilson, Pakde, and Navv, thank you for your laughter, companionship, and joyful moments that helped me stay positive and refreshed throughout this journey.
12. TIC Timor IP., for welcoming me as an intern And for all the experience shaped me more than a words can say. also their invaluable assistance in providing the data that made this research possible.
13. The Big Family VIEGAS thank you for your continuous love, prayers, and support throughout my four years of academic journey. I am truly grateful for your encouragement and kindness.

14. My close Friend, Nora and Bin Jessy and my friends from the Edutel dormitory, Nessa and Livia, thank you for your constant support, companionship, and encouragement, and for making this journey filled with laughter and unforgettable memories.
15. The cozy cafés that become a part of my journey : Tempus, Dadidu, Halaman Belakang, NAU, Key Coffe, i visited while working on this thesis. Thank you for the free Wi-Fi, the warm corners, and the quiet atmosphere.

This thesis was written with full of heart. The author acknowledge that this thesis is not without it9s shortcomings and sincerely welcomes constructive feedback. It is hoped that this work may offer meaningfull contributions.
