ACKNOWLEDGEMEN

First of all, the author would like to express the greatest gratitude to Ida Sang Hyang Widhi Wasa for His blessings, grace, and guidance so that this thesis entitled <IMPLEMENTATION TECHNOLOGY BASED DIFFERENTIATED MODEL IN EFL CLASSROOMS AT SMK 1 SUKASADA= could be completed successfully. This thesis was written as a partial fulfillment of the requirements for achieving a Sarjana Pendidikan degree in English Language Education at Ganesha University of Education. The author realizes that this thesis could not have been completed without the support, guidance, assistance, and encouragement from many people. Therefore, the author would like to express sincere appreciation and gratitude to:

1. Prof. Dr. I Wayan Lasmawan, M.Pd., as the Rector of Ganesha University of Education.
2. Dr. I Gede Nurjaya, M.Pd., as the Dean of the Faculty of Language and Arts, for the motivation, support, and facilities provided during the author9s study.
3. Prof. Dr. I G A Lokita Purnamika Utami, S.Pd., M.Pd., as the Head of the Department of English Language Education.
4. Dr. Ni Putu Era Marsakawati, S.Pd., M.Pd. as the first examiner, for the valuable suggestions, corrections, and constructive feedback that contributed to the improvement of this thesis.
5. A.A. Gede Yudha Paramartha, S.Pd., M.Pd., as the second examiner, for the valuable advice, suggestions, and support during the examination process and improvement of this thesis.
6. Putu Adi Krisna Juniarta, S.Pd., M.Pd.,as the first supervisor, for the valuable guidance, feedback, encouragement, and support throughout the process of writing this thesis.
7. Gede Mahendrayana, S.Pd., M.Pd.,as the second supervisor, for the valuable guidance, feedback, encouragement, and support throughout the process of writing this thesis.
8. All lecturers of the English Language Education Department for the knowledge, guidance, and valuable experiences provided during the author9s academic journey.

9. The English teacher and the students of SMK N 1 Sukasada who participated in this research for their willingness, cooperation, and valuable contribution in providing the data needed for this study.
10. The author would like to express her deepest gratitude to her beloved husband, Putu Bagus Dio Adinatha, for his endless love, patience, understanding, and unwavering support throughout the process of completing this thesis. His encouragement, prayers, motivation, and constant presence have been a great source of strength during every challenging moment of this academic journey. The author sincerely appreciates his willingness to always listen, provide support, and accompany her through the difficulties and achievements during the completion of this thesis.
11. The author would like to express her deepest love and gratitude to her beloved son, Putu Bagus Bara Jayan Wilendra, who has become her greatest source of happiness, strength, and motivation throughout this journey. Thank you for being the reason to keep going, for bringing endless joy and inspiration, and for giving the author the strength to overcome every challenge during the process of completing this thesis. Although this academic journey required time and sacrifices, your presence has always reminded the author of the importance of perseverance and dedication. This achievement is also dedicated to you, as a reminder that every effort, patience, and hard work can lead to meaningful accomplishments.
12. The author would like to express her deepest gratitude to her beloved family for their endless love, prayers, support, and encouragement throughout the process of completing this thesis. Thank you for always believing in her, providing strength during difficult times, and giving unconditional support throughout her academic journey. Their patience, understanding, and sacrifices have become an important source of motivation for the author to complete this study. This achievement would not have been possible without their love, guidance, and continuous encouragement.

Finally, the author realizes that this thesis is still far from perfect and there may be several limitations in its preparation and completion. Therefore, constructive criticism, valuable suggestions, and feedback from readers are highly appreciated for the improvement and refinement of this thesis in the future. The author hopes that this thesis can provide meaningful contributions to the field of English Language Education, especially regarding the implementation of technology-based differentiated instruction and students' beliefs in EFL classrooms. Furthermore, the

author hopes that this study can be useful for teachers, students, future researchers, and other readers who are interested in conducting further studies related to this topic
