ACKNOWLEDGEMENT

Praise and gratitude are offered to Ida Sang Hyang Widhi Wasa, the Almighty God, for His blessings, grace, guidance, and strength throughout the completion of this dissertation entitled “Developing an Individualized English Learning Plan for a Kindergarten Child with Speech Delay.”

The researcher would like to express her deepest gratitude to Prof. Dr. Ni Nyoman Padmadewi, M.A., as the Promotor, for her invaluable guidance, encouragement, patience, and continuous support throughout this research and dissertation writing process. Sincere appreciation is also extended to Prof. Dr. Ni Made Ratminingsih, M.A., as Co-Promotor I, and Prof. Dr. I Nyoman Adi Jaya Putra, M.A., as Co-Promotor II, for their insightful feedback, constructive suggestions, and academic guidance that significantly contributed to the completion and refinement of this dissertation.

The researcher also sincerely thanks the Language Education Doctorate Program, Postgraduate Program, Universitas Pendidikan Ganesha, all lecturers, examiners, and expert judges for their knowledge, valuable comments, professional evaluations, and academic support. Special appreciation is extended to the principal, teachers, and staff of TK Dwijendra Denpasar Bali, as well as the parents, therapists, and experts who generously provided their time, cooperation, professional insights, and support throughout the research process.

The researcher's sincere gratitude is particularly addressed to the child who participated in this study. The child's participation, efforts, responses, and developmental progress became an essential part and meaningful inspiration for this research. The researcher is also grateful to Universitas Dwijendra and all colleagues for their encouragement, understanding, and support during the completion of her doctoral study.

The deepest gratitude is dedicated to the researcher's beloved family for their endless love, prayers, patience, understanding, and encouragement throughout this academic journey. Their continuous support has been a source of strength and motivation in completing this dissertation.

Finally, the researcher sincerely thanks all friends, doctoral classmates, colleagues, and individuals who have contributed to this dissertation but cannot be mentioned individually. May Ida Sang Hyang Widhi Wasa bless and reward all those who have supported the completion of this study. The researcher hopes that this dissertation may contribute meaningfully to English language education and inclusive education for children with speech delay.
