My name is Putu Viona Tasya Pratiwi, I graduated with Bachelor's Degree in Law at University of Education Ganesha. I want job position at PT. Bumi Mas Group as Government Subsidies House Marketing. I have two years experience in Sales and Operational Staff at PT. Graha Kita Abadi as marketing, administrative buyer data, and research property staff. I have hard and soft skills, I can branding communication with customer, problem-solving, and help clients to complete the administrative, for example in my skill at problem-solving is when the client's upset because the unit they need was already sold, I can keep calm and apologize to them. Then, I give others options for them, I give this option who match with their budget, and then the problem was solved. I can marketing like communication with customer, first I greet with friendly smile, and I ask "what kind of house do you looking for?", then I give tell for the main benefits of this house, the location, price, and facilities they can getting. Not just tell they about benefits of the house, but I show and take them to short tour in the house, then I give some recommendation house with
