## ACKNOWLEDGEMENT

First and foremost, I would like to praise the almighty Allah SWT for His blessing and mercy. I have a strong belief that, only because of His blessings and guidance, I could have overcome any obstacles during the process of writing my dissertation. Writing a dissertation was such a long journey that would never have ended without the support, guidance, and help from kind people around me.

I would like to express my deepest gratitude and sincere appreciation Prof. Dr. Ni Nyoman Padmadewi, M.A., Prof. Dr. Ni Luh Putu Sri Adnyani, S.Pd., M.Hum. and Made Hery Santosa, Ph.D. for their invaluable guidance, unwavering support, and intellectual generosity throughout the completion of this dissertation. Their insightful feedback, rigorous academic standards, and patient mentorship have profoundly shaped my thinking and strengthened the quality of this work. Beyond their roles as advisors, they have been a constant source of motivation and encouragement, helping me navigate challenges with clarity and confidence. This dissertation would not have been possible without their dedication, wisdom, and commitment to my academic growth, for which I am truly and forever grateful.

To my beloved parents, whose love has been my first home and my lifelong compass. Every value I carry, every strength I stand on, and every dream I dare to pursue was born from your patience, prayers, and quiet sacrifices. You taught me what it means to love without condition, to endure with dignity, and to walk through life with humility and hope. Your devotion, wisdom, and unwavering faith have led me to this stage, where I can graduate from this university.

To my beloved wife, Ika Rahmania, my partner in every season, my calm in chaos, and my constant source of courage. Your love has been my shelter and my inspiration, reminding me that true strength is found in gentleness, understanding, and shared dreams. Through your unwavering support, I have learned that success is not measured by achievements alone, but by the love we nurture and the life we build together. This dedication carries my deepest gratitude for your patience, your belief in me, and your endless love. Therefore, I can finish my studies at Universitas Pendidikan Ganesha (Undiksha).

To my three precious daughters, the light of my days and the reason my heart overflows with hope. Your laughter gives meaning to my efforts, your innocence renews my faith in the future, and your dreams inspire me to become better each day. May all my works stand as a testament to my love for you, a reminder that everything I strive for is rooted in the desire to see you grow, shine, and walk confidently toward a world filled with endless possibilities.
