DEDICATION

This thesis is dedicated to:

Ida Shang Hyang Widhi Wasa

For giving me strength when I felt weak, courage when I was afraid, and hope when I doubted myself. Through every obstacle and uncertainty, Your guidance reminded me that I was capable of getting through every challenge.

My Beloved Family

For the endless love, prayers, support, and sacrifices that have accompanied me in every step of this journey. Every achievement I have reached carries a part of your love and belief in me.

My Respected Supervisor

For the valuable guidance, knowledge, patience, and support throughout the process of completing this thesis.

My lovely friends

Sayu Dian, Cantika, Gotra, Gunawan, Bhanu, Kak Maya, Kak Juli, Kak Dewi, and my Kije Gen Lagas group, for being part of the story behind this journey. For the laughter that made difficult days lighter, the presence that made lonely moments less lonely, and the memories that I will carry beyond this chapter of my life.

My Beloved Partner

Gusmang, For being there through the highs and lows of this journey. For the patience, understanding, support, and quiet encouragement that gave me strength when I felt tired and uncertain. For being a safe place to return to when the journey felt overwhelming.

Myself

For surviving the days I thought I could not get through, for continuing when giving up seemed easier, and for choosing to believe in myself despite every doubt. For every late night, every tear, every small step, and every moment of courage that brought me here. I am proud of the person who kept going until the very end.

ACKNOWLEDGEMENT

I would like to express my deepest gratitude to Ida Sang Hyang Widhi Wasa, for His endless blessings, and protection throughout the process of completing this thesis entitled “Proto-Austrinesian Inheritance to Kolo Language Spoken in Bima Regency: A Historical Comparative Linguistics Study”. With His guidance and strength, this thesis could be successfully completed. This thesis was written to fulfill one of the requirements for obtaining a Bachelor of Education degree at Ganesha University of Education. The completion of this thesis is inseparable from the support and assistance of various parties, both directly and indirectly. Therefore, I would like to express my gratitude to:

1. Prof. Dr. I Gede Budasi, M.Ed., as the first supervisor in this research. Thank you for your valuable guidance, knowledge, suggestions, and support in providing direction and assistance throughout the process of completing this thesis.
2. Dr. Nyoman Karina Wedhanti, S.Pd., M.Pd., as the second supervisor, who has provided valuable guidance, suggestions, and support throughout the process of completing this thesis.
3. The lecturers of the English Language Education Study Program, who have provided valuable knowledge throughout my academic journey at Ganesha University of Education.
4. My beloved family, who have always given me prayers, support, encouragement, and courage in every step of this journey.
5. The three informants who were willing to take the time to participate and provide valuable information for this research.

The author realizes that this thesis is far from perfect, both in terms of content and presentation. Therefore, constructive criticism and suggestions are highly appreciated for the improvement of this thesis in the future. Hopefully, this thesis will be beneficial to readers and those who need it.
