ACKNOWLEDGEMENT

First of all, I would like to express my deepest gratitude to God Almighty for His endless blessings, guidance, and strength that enabled me to complete this thesis entitled “Developing Digital Storytelling Using a Multi-Plot Flipbook “*Singaraja Adventures*” for 6th-Grade Students at UNDIKSHA Laboratory Elementary School.”

I would like to express my sincere and deepest appreciation to my first supervisor, Made Hery Santosa, S.Pd., M.Pd., Ph.D., for his valuable guidance, patience, encouragement, and constructive suggestions throughout the process of conducting this research and completing this thesis. His support and insightful feedback have helped me improve both my research and academic writing.

I would also like to express my sincere gratitude to my second supervisor, I Putu Indra Kusuma, S.Pd., M.Pd., Ph.D., for his guidance, thoughtful advice, continuous support, and helpful corrections during the completion of this thesis. His valuable feedback contributed greatly to the development and improvement of this study.

My deepest and most heartfelt gratitude goes to my beloved family. Thank you for your endless love, prayers, patience, support, and encouragement throughout my educational journey. Your belief in me gave me the strength to continue during difficult moments and motivated me to finish this thesis. This achievement would not have been possible without your unconditional support.

I would also like to thank the English teacher and all sixth-grade students of UNDIKSHA Laboratory Elementary School for their participation, cooperation, and enthusiasm during the implementation of this research. Their involvement made this study possible and provided valuable experiences throughout the research process.

Finally, I would like to thank everyone who has supported me, directly or indirectly, during my studies and the completion of this thesis. Every kindness, encouragement, and prayer has meant so much to me. I sincerely hope that this thesis will provide useful contributions to English education and become a valuable reference for future research on Digital Storytelling and interactive learning media.
