PREFACE

This dissertation, entitled “Study on Learning Engagement and Influencing Factors of Undergraduates at a Private University: A Case Study of Hubei Enshi College”, could not have been accomplished without the support and assistance of many individuals. I am sincerely grateful to the following people:

1. Prof. Dr. Anantawikrama Tungga Atmadja, S.E., Ak., M.Si., my Promotor, for his invaluable guidance and advice throughout the entire research and writing process.
2. Prof. Putu Indah Rahmawati, M.Bis., Ph.D., my Co-Promotor, for her detailed feedback and valuable suggestions.
3. Trianasari, M.M., Ph.D., my Co-Promotor, for her continuous guidance and encouragement during the course of this study.
4. All lecturers of the Doctoral Program in Educational Science at Universitas Pendidikan Ganesha, for their academic support and kind assistance.
5. My fellow doctoral students in the Educational Science program, for their companionship and encouragement.
6. The administrative staff of the Graduate School at Universitas Pendidikan Ganesha, as well as all others who have contributed to this work but are too numerous to mention individually.
7. My partner and colleague, for his patience, understanding, and encouragement throughout my doctoral study and dissertation writing.
8. My family, for their unwavering love, support, and care, which have given me the strength to reach this stage.

Finally, I hope this dissertation will make a modest contribution to the development of the field of education. I also look forward to continuing my personal and academic growth, and to pursuing new research endeavors in the field of learning analytics. Throughout this long and challenging doctoral journey, I have persevered, overcome countless obstacles, and maintained my passion for research and my determination to reach my goals.
