ACKNOWLEDGEMENT

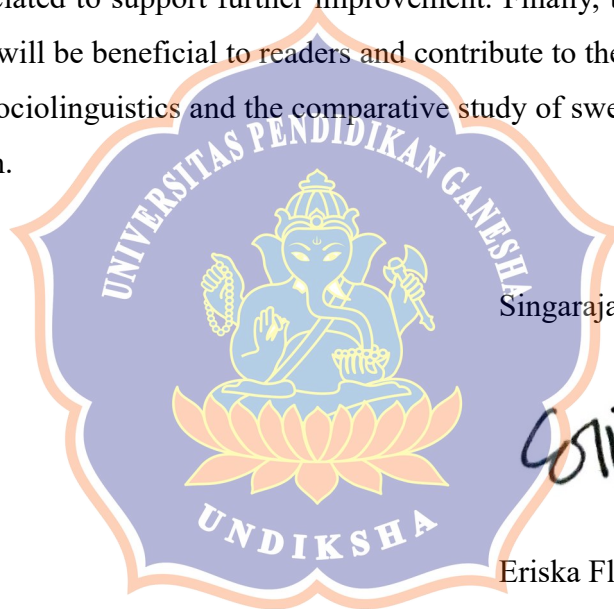

First and foremost, the author would like to express sincere gratitude to Almighty God for the blessings, strength, and guidance bestowed throughout the process of completing this thesis entitled “A Comparative Analysis of Swear Words in Balinese and Mandarin”. This thesis is prepared as one of the requirements for obtaining a Bachelor’s degree in Education at Ganesha University of Education. The completion of this thesis would not have been possible without the love, encouragement, and support of the people who have accompanied the author throughout this academic journey. Therefore, the author would like to extend heartfelt appreciation to:

1. Prof. Dr. I Gede Budasi, M.Ed., as the first supervisor in this research. Thank you for the valuable guidance, constructive feedback, and thoughtful suggestions provided throughout the research process. The author sincerely grateful for the time, patience, and dedication given to assist in improving the quality of this thesis.
2. Dr. Rima Andriani Sari, S.Pd., M.Hum., as the second supervisor in this research. Thank you for the meaningful advice, careful attention and continuous encouragement during the preparation and completion of this thesis. The author greatly appreciates the knowledge and insights shared, which have helped the author develop a better understanding of the research.
3. The author’s beloved family, especially My Papa, My Mama, and My sister for their unconditional love, endless prayers, sacrifices, and constant encouragement. Their support has given the author the strength and motivation to overcome difficulties and persevere until the completion of this thesis. The author is deeply grateful for their trust, patience, and unwavering belief throughout this academic journey.
4. The author’s closest partner, who has been an important part of the author’s life throughout this journey. Thank you for always being present., offering sincere encouragement, listening to the author’s concerns, and providing comfort during challenging times. Your companionship, understanding, and support have made this process more meaningful and have reminded the

author that even difficult journeys become easier when shared with someone who genuinely cares.

5. The author close friends and everyone who has supported this research, for their kindness, encouragement, assistance, and positive contributions throughout the author's academic journey. Whether through helpful discussions, thoughtful advice, or simple words of motivation, their support has been greatly appreciated and has contributed to the completion of this thesis.

The author acknowledges that this thesis may still contain shortcomings and imperfections. Therefore, constructive criticism and valuable suggestions are highly appreciated to support further improvement. Finally, the author hopes that this research will be beneficial to readers and contribute to the study of linguistics, particularly sociolinguistics and the comparative study of swear words in Balinese and Mandarin.
