ACKNOWLEDGEMENT

For the overflow of grace, grace, and participation of Ida Sang Hyang Widhi Wasa, the author gives thanks that the thesis entitled "**Analysis of *Tri Hita Karana* Reflected in the Characterization of Shasta in C.S. Lewis's *The Chronicles of Narnia: The Horse and His Boy***" was finally completed well. This thesis is prepared as one of the requirements for obtaining the degree of Bachelor of Education in English Language Education at Universitas Pendidikan Ganesha. The process of preparing this thesis is inseparable from prayer, support, guidance, motivation, and various forms of assistance from many parties. Every attention, input, and kindness given has a very valuable meaning for the author in completing this research. Therefore, with full respect and sincerity, the author would like to express our deepest gratitude to:

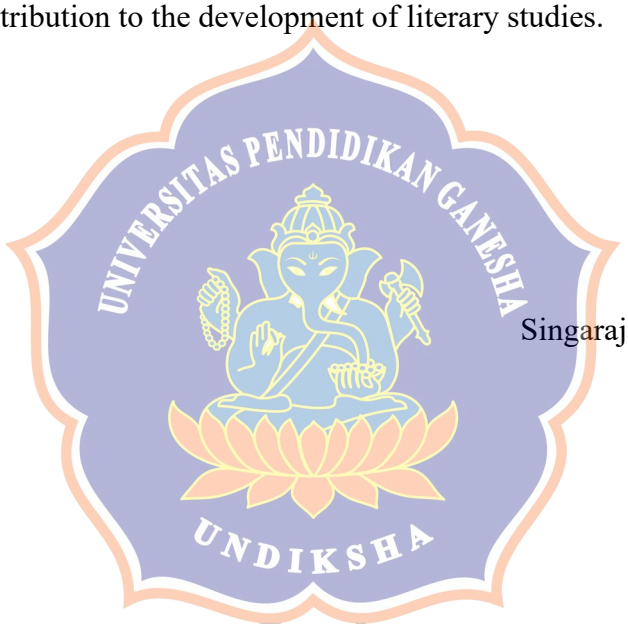

1. I Nyoman Pasek Hadisaputra, S.Pd., M.Pd., as the first supervisor, who has taken the time, energy, and mind to provide guidance, direction, advice, and motivation with patience during the process of preparing this thesis. The various inputs and attention provided are valuable in helping the author complete this research more effectively.
2. Prof. Dr. Ni Komang Arie Suwastini, S.Pd., M.Hum., as the second supervisor, has provided guidance, criticism, advice, and insight that are very useful during the process of preparing this thesis. The author is very grateful for the patience, support, and knowledge that has been given so that the author can complete this research well.
3. Beloved father, Nyoman Sujana, who always gives prayers, love, support, sacrifice, and non-stop enthusiasm in every step of the author's life. Thank you for all the hard work, attention, and trust that has always been given so that the author has the strength to keep fighting and complete this study.
4. To myself, who has chosen to persevere, rise up, and continue to move forward despite facing various challenges, doubts, fatigue, and obstacles during the process of preparing this thesis. Thank you for trying to give your best, not giving up when facing difficulties, and continuing to believe that every process will bring the author to a good end. All the struggle, tears, and

sacrifices during this journey finally paid off with the completion of this thesis.

5. Luh Devi Wiraputri, as a comrade in the struggle in compiling a thesis, who has become a place to share stories, discuss, exchange ideas, and give each other encouragement during the research process. Thank you for the togetherness, patience, support, and motivation that is always given, both when facing confusion in research and when facing fatigue during the thesis preparation process. The presence and support given is one of the encouragements for the author to continue to complete each stage of this research.
6. The author would like to thank Narnia's friends, Yumik, Susan, Riska, and Dwik, who have been part of the writer's academic journey and always provide support, motivation, and enthusiasm in various situations. Thank you for always being willing to listen to the author's complaints, giving advice when the author is confused, helping to find solutions to various problems faced, and bringing laughter and togetherness in the midst of the busy process of preparing a thesis. Your presence makes this challenging journey feel lighter, more meaningful, and full of memories that the author will always remember.
7. The author also wants to say thank you to Spotify, which has become the author's loyal friend during the process of preparing this thesis. Various music rhythms that accompany the process of reading references, analyzing data, writing each chapter, to doing revisions have helped writers maintain focus, improve mood, and give encouragement to continue the writing process. Although simple, the presence of music is one of the things that makes the long journey in completing this thesis feel more comfortable and enjoyable.
8. I also say thank you to Podcast Keluarga Artis, who unknowingly has become one of my friends in the middle of the long process of completing this thesis. Thank you for presenting so many stories and jokes, that managed to make me laugh in the midst of days full of revision, pressure, and fatigue. When working on the thesis feels so tiring, your podcasts often

become a small pause that makes me smile again and continue everything. Maybe you never know that the simple videos you shared turned out to accompany one of the important phases in my life. Thank you, Mario and Niky, for being an entertainment that makes the journey of completing this thesis feel a little lighter.

This thesis marks the end of one of the stages of the academic journey as well as the beginning of various opportunities to continue learning, developing, and improving self-quality. The author openly accepts all constructive criticisms and suggestions for the improvement of this research. The author hopes that this thesis can provide benefits, add insight, become a reference for further research, and make a positive contribution to the development of literary studies.
