ACKNOWLEDGEMENT

The writer is grateful for the grace, blessings, and guidance of Ida Sang Hyang Widhi Wasa throughout the process of completing this undergraduate thesis entitled **"Analysis of Tri Hita Karana Values Presented in the Characterization of Jill Pole in C.S. Lewis' The Chronicles of Narnia: The Silver Chair"** as one of the requirements for obtaining a Bachelor of Education degree in English Language Education at Universitas Pendidikan Ganesha. Completing this thesis has been a long journey with many challenges, and the writer sincerely expresses gratitude to everyone who has given support, prayers, guidance, encouragement, and kindness along the way. Their support has helped the writer continue and finally complete this thesis. Therefore, the writer would like to express sincere gratitude to:

1. Prof. Dr. Ni Komang Arie Suwastini, S.Pd., M.Hum., as the first supervisor, for her guidance, valuable feedback, and advice throughout the process of completing this thesis. Her guidance has taught the writer not only how to write more carefully and systematically, but also the importance of perseverance, honesty, and hard work in completing academic work. The lessons and encouragement she has given have helped the writer improve throughout the process and finally complete this thesis.
2. I Nyoman Pasek Hadisaputra, S.Pd., M.Pd., as the second supervisor, for his support, guidance, and encouragement throughout the process of completing this thesis. His suggestions and support helped the writer stay on track and continue working through the challenges encountered during the research process. The writer sincerely appreciates his time and support, which have contributed to the completion of this thesis.
3. To myself, thank you for making it this far and for continuing to move forward until this thesis was completed. Throughout this process, there were many challenges and new experiences that helped the writer learn more about herself. This journey taught the writer to appreciate herself and her time more, as well as to recognize both her strengths and weaknesses. There were moments when she felt overwhelmed, discouraged, and sad, but she chose to keep going and complete what she had started. For all the effort,

patience, and strength given along the way, the writer is grateful to herself for not giving up and for continuing to take each step until she finally reached this point.

4. To the writer's beloved family, especially her beloved parents, thank you for always giving the writer encouragement and support throughout the completion of this thesis. Thank you for understanding the writer's situation and never blaming her or making her feel alone, even during the times when she felt overwhelmed, discouraged, and at her lowest. Your prayers, patience, and understanding have meant so much to the writer throughout this journey. Thank you for continuing to be there for the writer through every difficult moment and for always wishing the best for her.
5. To Luh Putu Vika Yuniantini, the writer's thesis partner, thank you for always being by the writer's side throughout this journey. The writer is grateful that they could go through this process together, supporting each other, learning together, and giving each other strength whenever things felt difficult. The writer truly appreciates all the help and support you gave throughout the process of completing this thesis.
6. To Kadek Nandini Larasati, the writer's best friend, thank you for always being there throughout this journey, from the beginning until the end. Thank you for being a friend the writer could talk to about everything, especially during the difficult moments, and for always giving encouragement when the writer needed it. The writer also appreciates all the conversations and discussions we had, as well as your constant support throughout the process. Having someone to share thoughts, stories, and worries with made this journey feel a little easier.
7. To the writer's beloved friends, Puput and Cantika, also known as the *Madagaskar* group, thank you for always bringing laughter and comfort through both good and difficult days. Thank you for always being there to share stories, talk about things, and laugh together. Having you both around made the writer's days feel lighter, especially during the difficult times and making this journey more enjoyable.

8. To the Narnia Group, Dwik, Anggi Susan, Anggi Yumika, and Riska, thank you for always supporting and encouraging each other throughout the process of completing this thesis. Sharing our experiences, challenges, and progress made this journey feel easier and reminded the writer that she was not going through it alone.
9. To the writer's classmates, especially Astari, Dina, Samudra, Andi, and Dede, thank you for being part of the writer's journey throughout college. Thank you for all the moments we shared through various activities, organizations, and competitions, which became memorable experiences that the writer will always remember. The writer is grateful for all the fun and memories that made the years of college more meaningful and unforgettable.
10. To Bang Raditya Dika, dr. Tirta, dr. Gia, Rose from BLACKPINK, Bang Tulus, and all the Korean dramas, thank you for giving the writer motivation, inspiration, and entertainment throughout the process of completing this thesis. Your content, stories, songs, and shows gave the writer encouragement whenever she needed a break or some motivation. The writer is truly grateful for the laughter, inspiration, and little moments of happiness that made this long process a little lighter.

This thesis marks the end of an important part of the writer's academic journey and the beginning of new experiences and opportunities to learn. The writer welcomes any constructive criticism and suggestions that may help improve this study. The writer hopes that this thesis can be useful for readers, provide insight into the study of literature, and serve as a reference for future researchers.
