## ACKNOWLEDGEMENT

First of all, the writer would like to express his sincere and heartfelt gratitude to the Almighty God, *Ida Sang Hyang Widhi Wasa*, for His blessing so this thesis entitled “The Effect of Metacognitive Strategies on Students’ Writing Competency Across Text Genres” could be accomplished punctually.

This thesis would not finish without support, good wishes and contribution from many people around the writer. Therefore, the writer would like to express her great appreciation for people who had contributed for the successfulness of this thesis. They are:

1. Prof. Dewa Komang Tantra, M.Sc., Ph.D as the first advisor who gave guidance, correction, solution, and support in accomplishing this thesis
2. Dr. Ni Made Ratminingsih, M.A. as the second advisor who gave guidance and suggestion in accomplishing this thesis.
3. All of the teachers at SMPN 12 Denpasar for their participation and contribution to the writer in conducting the research.
4. The researcher’s beloved family for always giving care, support and advices to the writer to accomplish this thesis.

Finally, the writer realized that this thesis is still far from being perfect. Thus, constructive comment and suggestion for the improvement of this thesis are really needed.
