ACKNOWLEDGEMENT

The completion of this post- graduate thesis will not be possible without the support of others. Because of this, I would like to address my gratitude. First of all, the researcher wishes to express her great-sincere and heartfelt gratitude to the Almighty of God, *Ida Sang Hyang Widhi Wasa* for His everlasting blessing so that this thesis could be accomplished in order to meet the partial requirements for taking the final examination. My deep appreciation should go to:

1. The Rector of the Universitas Pendidikan Ganesha for the moral supports and facilities, prior to and during the completion of my study in the University.
2. The Director of the Post Graduate Study Program, Universitas Pendidikan Ganesha for his support, motivation and encouragement so that I could keep going and finalize this thesis.
3. My principal supervisor Prof. Dr. I Nyoman Adi Jaya Putra, M.A. and my second supervisor Dr. Putu Suarcaya, S.Pd.,M.Sc whose patience, expertise, encouragement and gentle guidance have kept me focused on the task at hand. I could not thank them enough for their dedication, consistency, and commitment.
4. Headmaster of Apollonia Hotel School Mr.Ketut Darta and General Manager Mrs, Debby Resnatari for their permission to collect data at Apollonia Hotel School Denpasar and Ibis Styles Bali Petitenget during the research period.

5. For beloved husband and son, thank you so much for the prayers and moral supports and who encourage me to achieve the carrier of education.
6. My lovely mother and all of my family for their support, love, prayer, kindness and understanding.
7. My appreciation should also go to a long list of best friends, who cannot possibly mention one by one. Their friendship, support, love, prayer, kindness and understanding, and her best classmates for their help, time to share together and support during the process of writing this thesis. She is convinced that without their help, support and spirit; she might not be able to finish this thesis.

I believe that this thesis still requires beneficial input from the other researchers, therefore criticism and suggestion for the improvement of this thesis are most welcomed. The writer hopes the content of this paper is useful for the readers.
