Example of Recount Text

A Beautiful Day in Jakarta

Last week, my family and I went to Jakarta. We went there by plane. We visited many places there.

First, we visited Ragunan Zoo. We saw many kinds of animals there such as lion, bird collection, butterfly collections, and many more. We looked around the Zoo and took pictures of those animals. Second, we visited Ancol Beach. The sun shone brightly and the scenery was very beautiful there. We felt the wind blew across to us. We also saw a lot of people in that beach. As soon as we finished enjoying time there, we decided to go home.

For me, that was a good moment because I could spend my time with my family. We really enjoyed it.
