## **ACKNOWLEDGEMENTS**

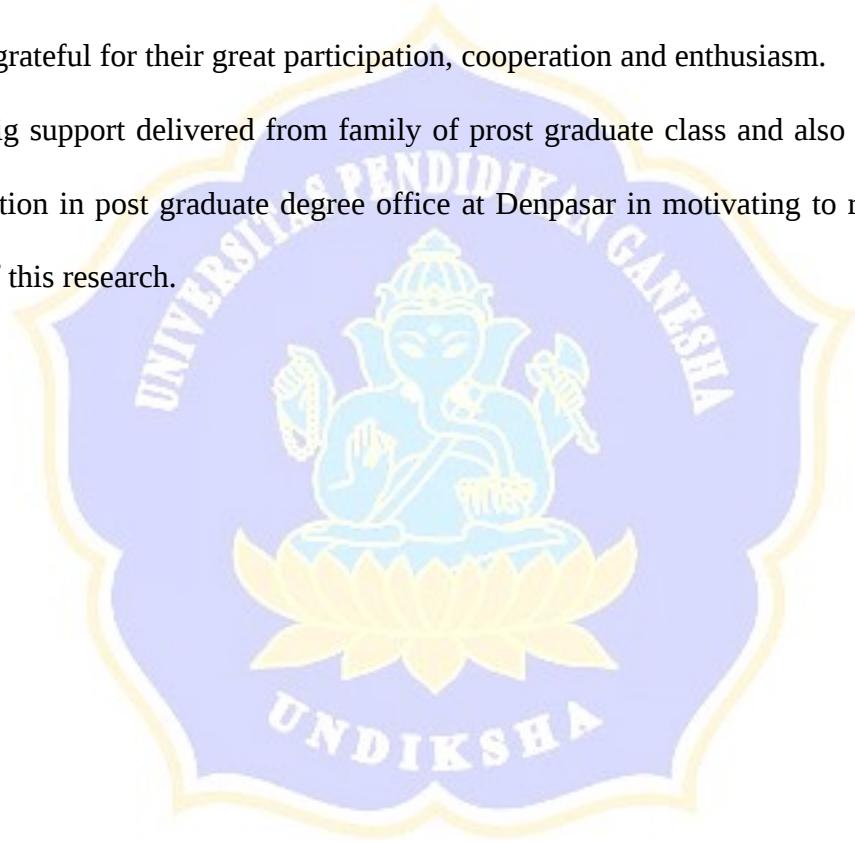

Firstly, the writer would like to express his gratitude to the Almighty God, Ida Sang Hyang Widhi Wasa, for the blessing to the effort of accomplishing this research in due time.

A gratitude is also expressed to both of the supervisors, Prof. Drs. Dewa Komang Tantra, M.Sc, Ph.D and Dr. Dewa Putu Ramendra, M.A who had gave much of their times to guide, suggest, correct and support during the process of completing this research. Their supervisions were paramount in order to set this research as it is expected.

A thank is expressed to Mrs. Susilowati and Mrs. Nikki , as the headmaster of Sunrise School Bali for his permission and support to conduct the research. A thank is also expressed to Mrs. Kriss and Ms. Mirah as the main class teacher and Teacher assistant of primary class in three and four grade class who used to give permission and support in gathering the data for this research. And also for the students of language class in eleventh grade, it was wonderful

experience to know them and learn about their speaking competency in English therefore the writer expresses deep grateful for their great participation, cooperation and enthusiasm.

It was a big support delivered from family of prost graduate class and also from the staff of administration in post graduate degree office at Denpasar in motivating to reach the accomplishment of this research.

The people mentioned have given powerful supports to make this research accomplish and without them this research probably will never be published.

This research is not proper yet, it is strongly expected to give any suggestions and criticisms for further development of this research.
