The image displays four screenshots from a digital English language learning application, arranged in a 2x2 grid. Each screenshot shows a different scene with a character and a speech bubble, followed by a list of four options for completing a sentence or dialogue.

Top Left Screenshot: A girl in a yellow shirt and red shorts stands next to a piano, talking to a boy in a yellow shirt and red pants. The boy's speech bubble says, "I think he would not ___ the class for this semester." The girl's speech bubble says, "Hi Ana, does Roni join this class?" Below the characters are four colored boxes: blue (joining), teal (join), yellow (joined), and red (been joining). Each box has a checkmark icon in the top right corner.

Top Right Screenshot: The same scene as the first, but the boy's speech bubble now says, "Hi Ana, does Roni join this class?" The girl's speech bubble remains the same. The four options are: blue (joining), teal (join), yellow (joined), and red (been joining). Each box has a checkmark icon in the top right corner.

Bottom Left Screenshot: A boy sitting at a desk with a computer monitor, looking at a speech bubble that says, "I would be ___ a good score if I submitted assignments on time." Below the boy are four colored boxes: blue (got), teal (get), yellow (getting), and red (been get). Each box has a checkmark icon in the top right corner.

Bottom Right Screenshot: The same scene as the third, but the speech bubble now says, "I would be ___ a good score if I submitted assignments on time." Below the boy are four colored boxes: blue (got), teal (get), yellow (getting), and red (been get). Each box has a checkmark icon in the top right corner.

The image consists of two side-by-side screenshots from a Quizziz game. Both screenshots show a dialogue between two characters: a girl with brown hair and a boy with orange hair. In the first screenshot, the girl asks, "Do you know the international seminar was held in Denpasar yesterday?" and the boy replies, "Yeah, I know. I would.....(attend) the seminar if I were in Denpasar." In the second screenshot, the boy asks the same question, and the girl replies, "Yeah I know. I would.....(attend) the seminar if I were in Denpasar." Below each dialogue, there is a section titled "Mark an answer as correct, if the answer" with two dropdown menus. The first menu has "is exactly" selected and "be attending" as the option. The second menu has "or" selected and "is exactly" as the option. There are also "Learn more" and "+ Add an alternative answer" buttons.

Evaluation : Some pictures and dialogues which seems unclear in the live play of the Quizziz.

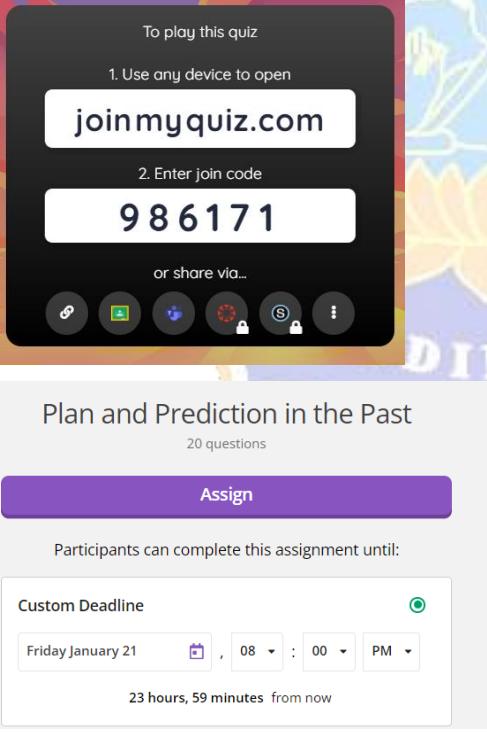

After refinement : The researchers changed the text font on the image to make it bigger than before and changed the position of the writing to make it easier to read.

Appendix.06. Digital Supplementary Materials' Design by using Quizizz

Digital Past Future Tense Supplementary Material by using Quizizz

There are two topics with 20 questions in Quizizz, 10 questions about telling prediction in the past and 10 questions about telling plan in the past. Topics used based on the IEC syllabus of the 1st semester in English language education. The quiz was designed based on the blueprint of the IEC syllabus. The researcher used three types of quiz, the first is multiple-choice, second is fill-in-the-blank, and the last is open-ended.

<p>Students can access Quizizz via the web www.quizizz.com or accessed through the Quizizz app. First, students can join the quiz through code given by the lectures, then students can join the quiz. This code is given when playing simultaneously (play live) because the code will change at every start of a new game. Lecturers can also assign students to answer quizzes to answer at any time until the deadline has been determined.</p>  <p>The screenshot shows the Quizizz interface. At the top, it says "To play this quiz". Step 1: "Use any device to open" followed by a button labeled "joinmyquiz.com". Step 2: "Enter join code" followed by the code "986171". Below this, there are sharing options: "or share via..." with icons for social media and messaging. The main card below is titled "Plan and Prediction in the Past" with "20 questions". It has a purple "Assign" button. Below the card, it says "Participants can complete this assignment until:" followed by a "Custom Deadline" section. The deadline is set for "Friday January 21" at "08 : 00 PM". A note below says "23 hours, 59 minutes from now".</p> <p style="text-align: center;">Telling Prediction in the Past Materials</p>
